NEWS RELEASE

May 8, 2013

Contact Person: Chris Chin-Chance, Recycling Specialist, at 961-8554

Free Residential Household Hazardous Waste Collection Event Information

Household Hazardous Waste (HHW) collection events will occur between 7:30 a.m. and 2:30 p.m., as follows:

- Saturday, June 1, 2013, at the Hilo Recycling and Transfer Station.
- Saturday, June 8, 2013, at the Kailua-Kona (Kealakehe) Recycling and Transfer Station.

These events are for self-hauled household-generated waste only. No business or farm wastes and NO electronic waste will be accepted.

The County of Hawai'i Department of Environmental Management holds these regular collection events so households can conveniently dispose of acceptable HHW in a manner that protects both public health and the environment. Some acceptable HHW are automotive fluids, used batteries, fluorescent lights and pesticides. For a more complete list of acceptable or unacceptable HHW, please visit our website www.hawaii Zerowaste.org. The website includes other useful information on solid waste diversion and recycling.

If you are unable to attend the events described above, the next scheduled HHW Collection Events will be on December 7, 2013 in Hilo and on December 14, 2013 in Kailua-Kona (Kealakehe).

Please direct your comments or questions regarding these HHW Collection Events to Chris Chin-Chance, Recycling Specialist with the Department of Environmental Management at 961-8554 or email to recycle3@co.hawaii.hi.us. Mahalo for your kōkua.
