## **NEWS RELEASE**

November 25, 2013

Contact Person: Linda Peters, Recycling Coordinator

## **Free Residential Household Hazardous Waste Collection Event Information**

Household Hazardous Waste (HHW) collection events will occur between 7:30 a.m. and 2:30 p.m., as follows:

- Saturday, December 7, 2013, at the Hilo Recycling and Transfer Station.
- Saturday, December 14, 2013, at the Kailua-Kona (Kealahou) Recycling and Transfer Station.

These events are for household-generated and self-hauled waste only. No business or farm wastes and NO electronic waste will be accepted.

The County of Hawai'i Department of Environmental Management holds these regular collection events so households can conveniently dispose of acceptable HHW in a manner that protects both public health and the environment. Some acceptable HHW are automotive fluids, used batteries, fluorescent lights and pesticides. For a more complete list of acceptable or unacceptable HHW, please visit our website [www.hawaii-zero-waste.org](http://www.hawaii-zero-waste.org). The website includes other useful information on solid waste diversion and recycling.

If you are unable to attend the events described above, the next scheduled HHW Collection Events will be on Saturday, March 1, 2014 in Waimea and on Sunday, March 2, 2013 in Pāhoā.

Please direct your comments or questions regarding these HHW Collection Events to Linda Peters, Recycling Coordinator with the Department of Environmental Management at 961-8942 or email to [lpeters@co.hawaii.hi.us](mailto:lpeters@co.hawaii.hi.us). Mahalo for your kōkua.
