

Take a step...

on the Path to Zero Waste

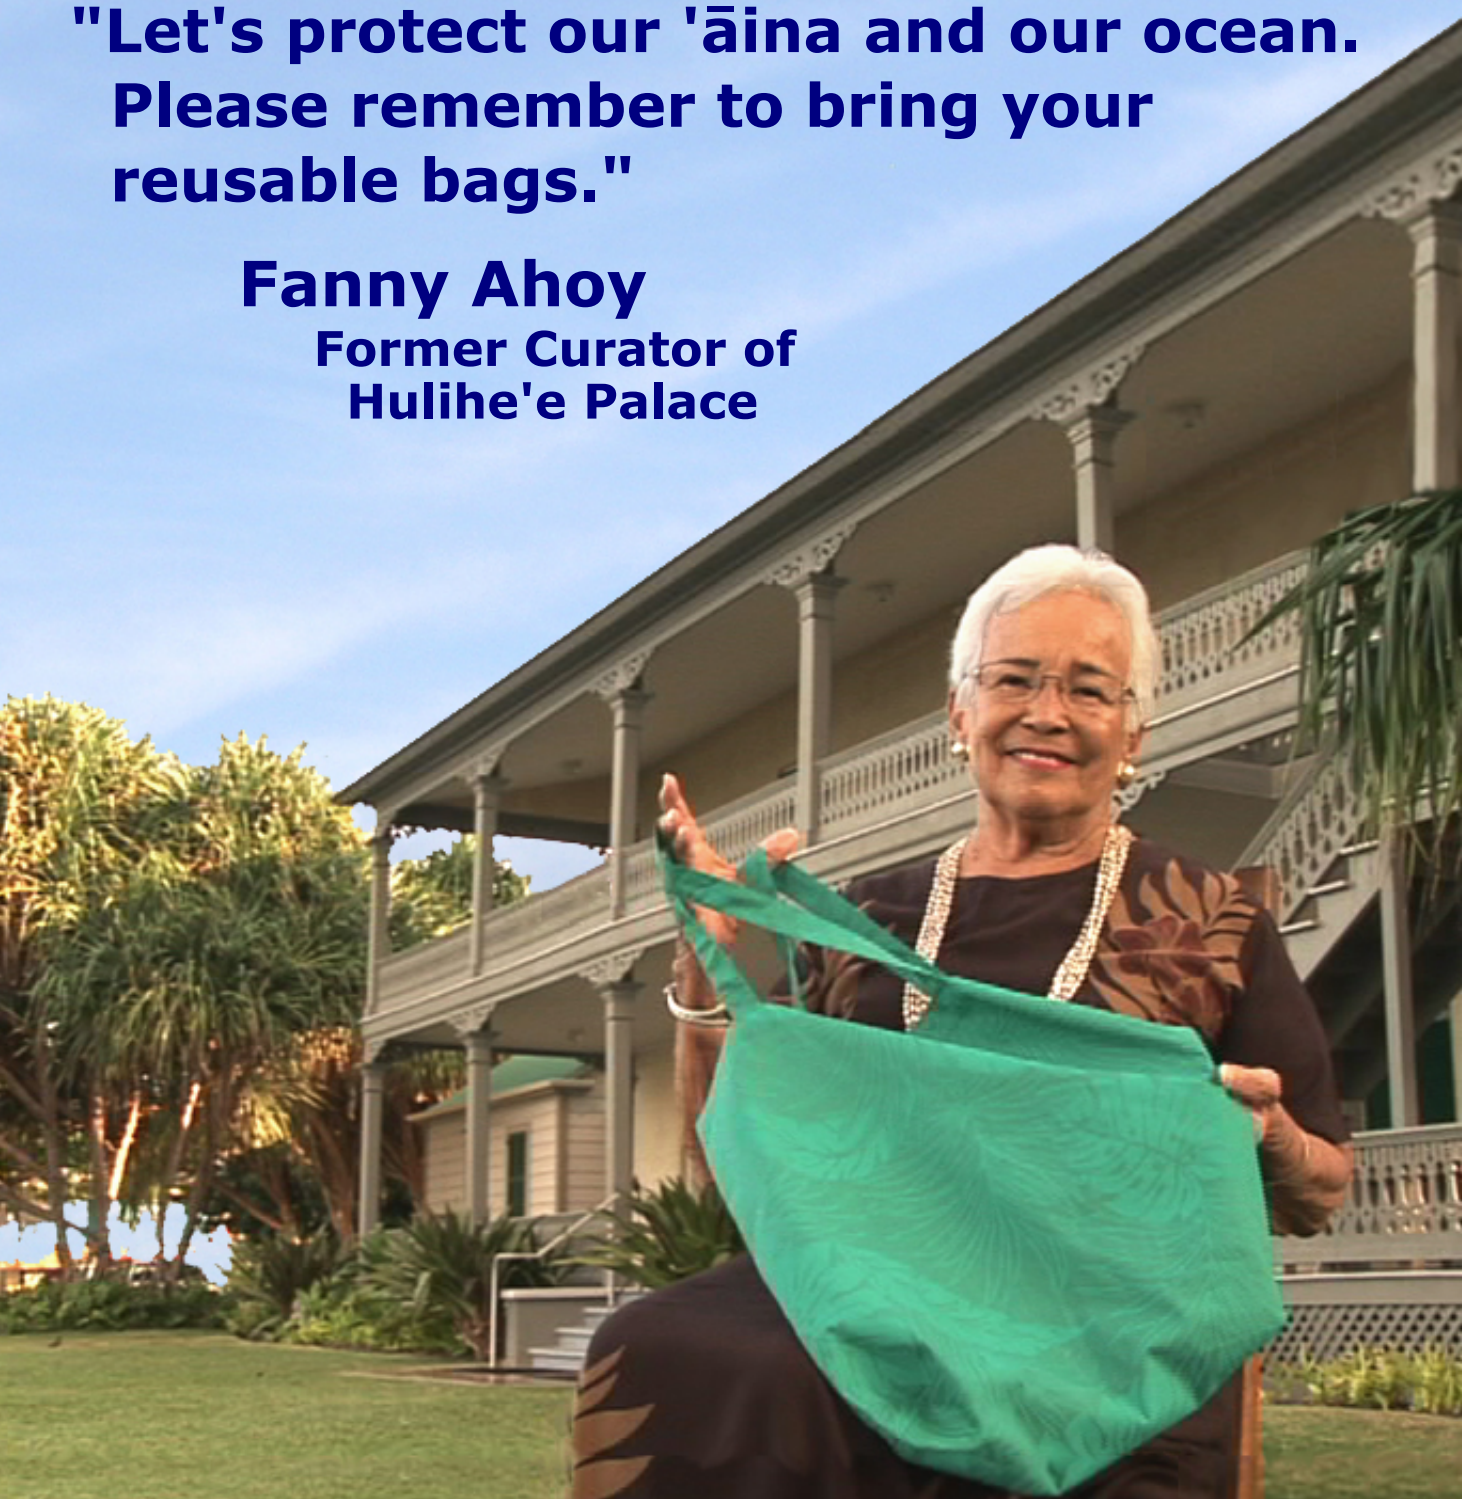

**Take REUSABLE BAGS
when you go shopping.**

Say "no thanks" to plastic and paper.

**"Let's protect our 'āina and our ocean.
Please remember to bring your
reusable bags."**

**Former Curator of
Hulihe'e Palace**

Bring Your Bags

**Reusable bags made from
washable fabric are long
lasting. Each one can replace
thousands of plastic bags.**

**Plastic bags kill fish, turtles,
birds and other animals
that mistake plastic for food.**

Hawai'i County Plastic Bag Reduction Ordinance

- Retailers, restaurants and farmer's markets that provide single use plastic bags at check out must now charge a fee.
- Some bags are permissible. These include bags without handles used for food, garments, small items & Rx drugs.
- On January 17, 2014 single use plastic bags at check out will not be allowed.
